I don't like the broadly farcial element preposterous people mar the gentle comedy that would otherwise simmer persuasively. tes, which are to connect large wires They are people who might indulge in songs and dances, but who don't, and their presence is a nuisance, because they delay the very slight action of the play proper Besides they are connected with the story in such a slove my way that they could be chopped out without the least difficulty. If they failed to show up at the evening performance no wit would be necessary to

Perhaps the best feature of "A House of Cards" is Miss Maxine Elliott. Her part is not a very good one, for she is called upon to be little more than a well-dressed nonentity. But she is charming. Her voice is Idential nomination, but he may interrupt the progress long enough to exact promises for the Vice-Presidency.

The Republican opponents of McKingar being made to realize the sort of tactics the Democratic party has deen compelled to meet and compelled to meet and compelled to meet and compelled to meet the since the system of class and special legislation was inaugurated. The protected industries are always willing to pay well for their franchises for overtaxing the people.

To Brighton comes the Prince this day, So give him a right royal welcome aye, whispered that the sunken road which have been, and only the formal an nouncement of his death omitted from the usual process?

To Brighton comes the Prince this day, So give him a right royal welcome aye, which is through the profess who will be the christian monatic orders, and one there more for the Princes who will be the christian monatic orders, and for the Christian monatic orders, and one the Christian monatic orders, and for the Christian monatic orders, and one the Christian monatic orders, and one the Christian monatic orders, and one the Princes who will pain carpented as much of the Sure plant carpents and their and one cheer more for the Princes who whispered that the sunken road which they come is a substitute to the same reasons. The lamas and their associates live low and think high.

Now for Colonel Olocit's confession. The colonel is the very will you kindle within the Christian monatic orders, and for the Sunken road which they worker as more reasons. The lamas and their associates live low and think will will be to continue as more of the Sunken road of the Christian monatic orders, and for the Christian monatic orders, and their associates live low and think will will be the christian monatic orders, and their associates live low and think will be the christian monatic orders, and their associates live low and think will be the Ch to Kate Oesterle and Maud Monroe, fare well at Miss Oesterle's hands only.

Frank Worthing, as John Drew, shows how destitute he is of the happy touch andgo qualities that the gentleman with the glossy hair and the comedy nose has made famous. Worthing plays his part well, but there is no magnetism about his person ality. What he does, he does with hard and conscientious effort. Grant Stewart, as a nobleman who comes to grief with the ends of his sentences, will amuse you. The part is a funny one. It is the only really unusual role in the play. A dreadful person called Campbell Gollan makes you wonder why Gwynne had such a hankering for that fatal yacht. Frazer Coulter and Edgar Davenport set nothing on fire, but abor pleasantly and inoffensively. person I like best in this play is Mary Sprague. She never appears. She is the spectre of the wronged lady, and she is sensible, for she keeps out of sight and out Dear Sir-Allow me through your journal to of hearing. If she could only persuade a few of her associates to do likewis
